

Engelking, Carl. "Newly Discovered "Superhenge" Monuments Dwarfs Nearby Stonehenge." D-
brief/2015/09/08/newly-discovered-superhenge/#.Vh_MaCvF-pA>.
The Manson Family murders of Sharon Tate, the pregnant wife of filmmaker Roman Polanski, and others in the summer 1969 shocked and captivated America, setting the tone for one of the most violent decades in the country's history. Here Charles Manson is escorted to his arrangements on conspiracy-murder charges in connection with the case. In 2014, he was engaged to a 25 year-old woman named Star.
